Today is a change of pace. The originality of ideas create a novel outlook on life as students refuse to be oppressed by the bonds of mediacrity. This is the era of the individual—an era in which originality overtakes tradition.

The life of a Flowing Wells student is as inconsistant as the ebb and flow of the tide. At times he seems to withdraw into the confines of society, while in reality his ideas and his actions are spilling out in a free and independent wave. But this flow must be shifted and channeled into the mainstream of life.

As we withdraw from yesterday,, we race to meet tomorrow's challenge. The team to which we must conform is society; yet we can still remain independent, apart from the masses. Security follows as we become more self-sufficent and retrace the footsteps of those before us.

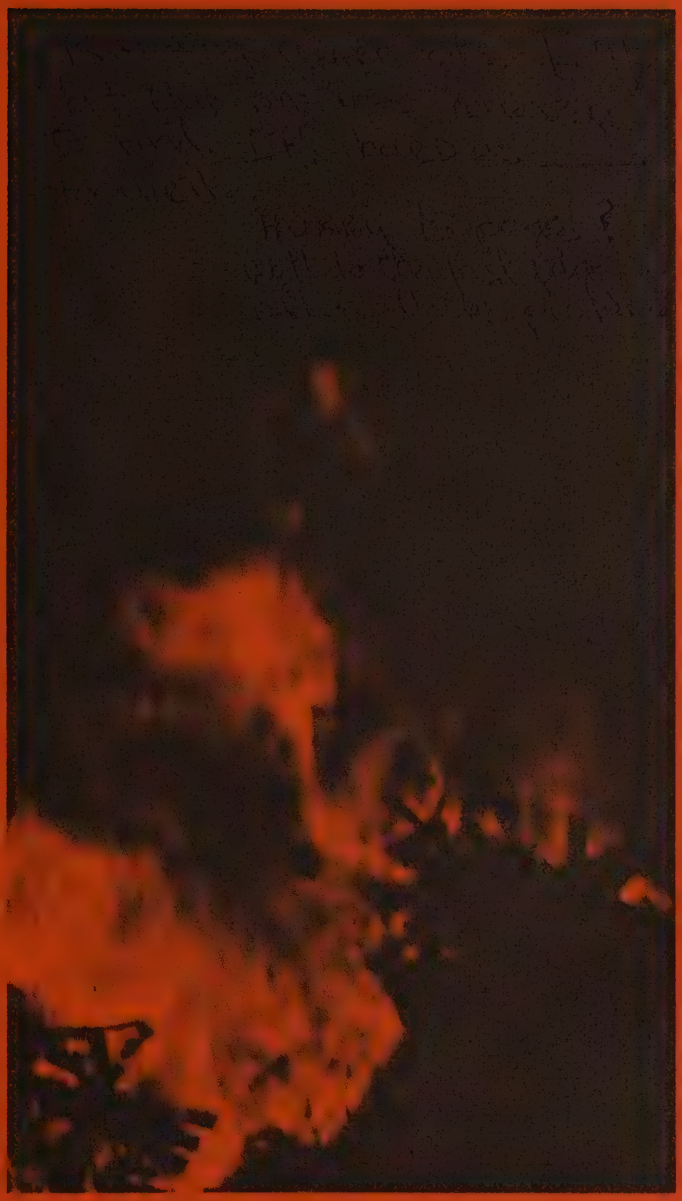
ABOVE-Ruling as King and Queen, Perry Gates and Marcia Bull are presented to the crowd.

The Festivities



The 1969-70 Homecoming was one of the most spirited of all those held at Flowing wells. From the first tender flames of the bonfire to the final quiet embers of the dance, there was no question of spirit. It was there.

Before his crowning, Perry Gates faced difficult competition with attendants Glenn Anderson, Lonnie Catt, Phil Shumway, and Chris Stoltz. Homecoming Queen Marcia Bull was attended by Linda Midkiff, Jennifer Koeppen, Patty Shannon, and Marilyn Mott. All attendants are pictured above.

Flowing Wells Earns Accreditation

I thought I'd make this interesting and besides, it'll give you something to do if I...

(Page 147)

Accreditation means taking a long look at yourself and your school. This year, Flowing Wells found itself under the critical eyes of the North Central Evaluators. Howard Leigh, coordinator, and 19 others sought to evaluate our school's curriculum with stress on both scholastic and recreational activities. In a written report to the school, the evaluators summarized their observations.

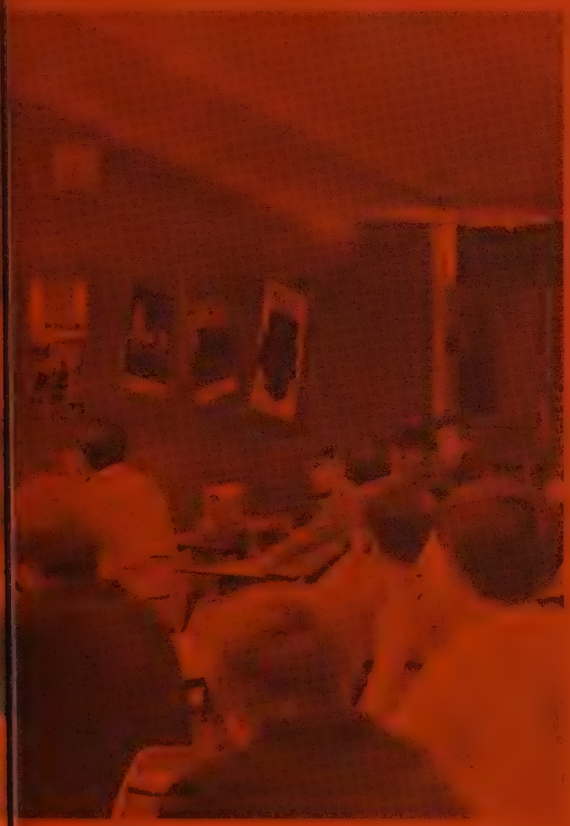
Bellamy Week

FW Students Make Patriotism Work

The tradition of Bellamy Day was once again carried out through the use of vital issues workshops, designed to bring the student closer to today's problems. Mr. George L. Givens, who organized the seminars, chose thirty well-qualified men and women to speak to Flowing Wells students on a wide variety of topics, ranging from "Key Security Issues Confronting the United States" to "Witchcraft: Fact or Fiction?" The "brains" behind Bellamy Day was Mr. Len F. Skrobel, who planned the day's format.

Above right-Minutemen reflect patriotism of past and present generations. Rt-Mrs. Betty Markley, fashion and charm coordinator for Sears, gives beauty hints to avid listeners.

Official recognition of Bellamy Day began with a general assembly in the auditorium. The Marine Corps Color Guard presented Flowing Wells with the flag, and the High School band, under the direction of Mr. John Hokansón, played a stirring rendition of the "Star Spangled Banner." Keynote speaker, Dr. Conrad Joyner, who substituted for Senator Paul J. Fannin, spoke to us about "The Challenges of the '70's, "and upon completing the address was met with a rousing standing ovation. The film, "American Time Capsule" followed, after which Mr. Steve Walker dismissed students to their workshops.

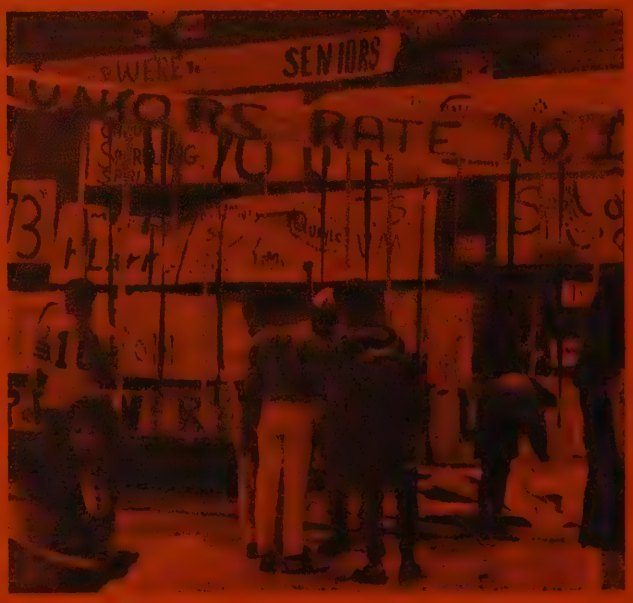


Above-Honor guard presents flag to proud Flowing Wells students. Left-Mr. Mike Donahoe, Educational Officer for NASA, conducts a seminar on "Space: Those Magnificent Men in Their Flying Machines."

Spirit Week

A Week of Difficult Competition

This year's Spirit Week was four days of rigorous campaigning. Each of the classes had a day in which to show their enthusiasm. At the assembly on Thursday the Sophomores were chosen as the most spirited class. The Juniors were second in the competition while Frosh were third and Seniors were fourth. The assembly was just a preview to the unleashed spirit found at the game on Friday night in which the Cabs met the Dorados.



Christmas

It's a Time of Highly Seasoned Excitement

The Christmas season began with the long-awaited arrival of the Junior class rings. On Friday the Modern Dance class opened the annual Christmas assembly with their portrayal of life in motion followed by the performance of holiday tunes by the enthusiastic Concert Band. As a finale, the Chorus offered selections from seasonal music.

Drama

Tames "Shrew" but Also Stumbles

December's productions of "Taming of the Shrew" and "up the Down Staircase" characters were portrayed by members of the Drama classes; scenery provided by the Stagecraft classes. February, found Steve Holloway and Shirley Spencer performing the leads in "Look Back in Anger." Spring began with the April production of "The Bad Seed," a play of a young girl who is a psychotic killer. "The Twelve Pound Look," Stagecraft class's second production, followed later in April. In her spare time, Drama teacher, Miss Sharon Mihelich directed the plays.

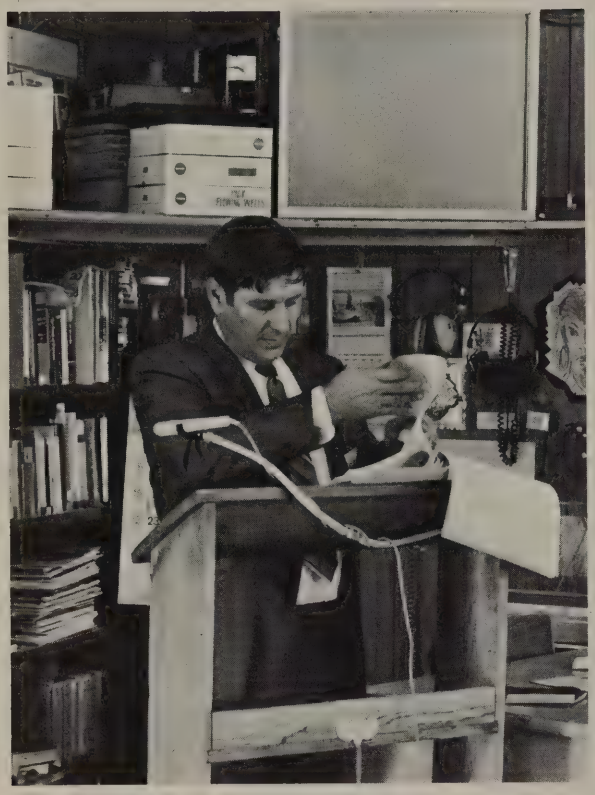
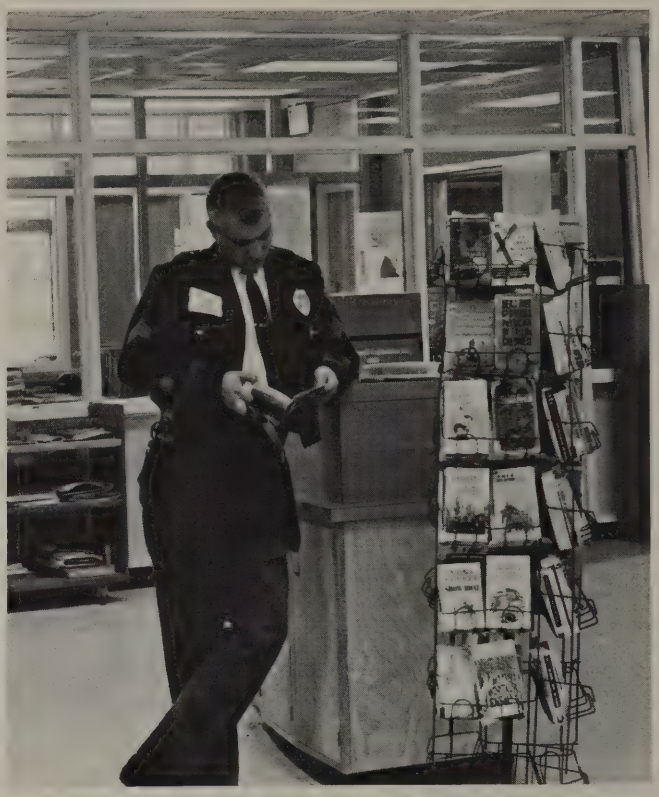
Career Day

Innovative Idea Stimulates Career Interest

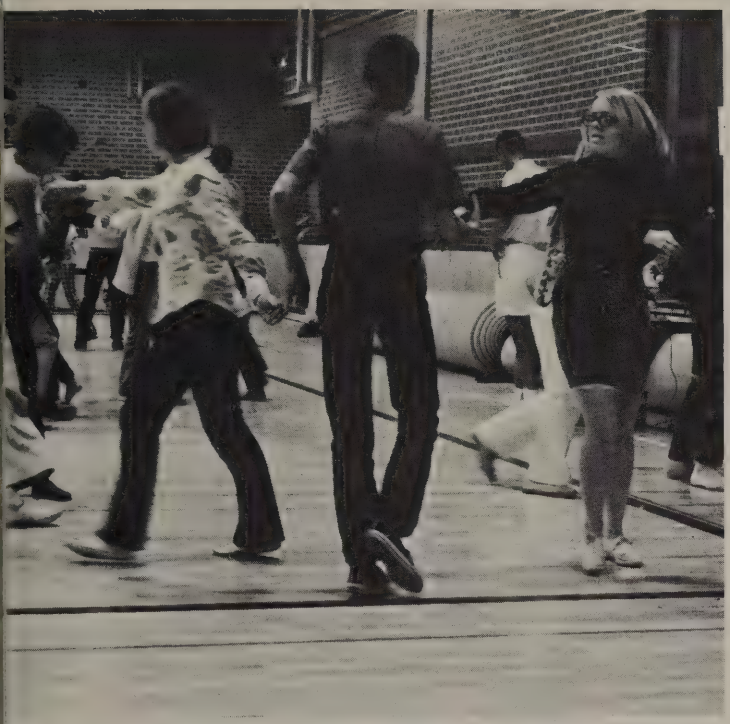




Career Day, 1970, is no longer an idle idea on a scrap of paper. It has happened; it has come alive. Mr. Richard D. diCosola and Mr. John McCormick, together with members of the student body and faculty, have made this possible. Designed to acquaint Flowing Wells students with the occupational and professional fields open to them, CAREERS 1970 offered 25 workshops in which students could ask questions concerning all aspects of a career. Speaking in the keynote assembly, Rep. Morris Udall (D-Ariz.) urged students to make their own decisions for their future Careers.

Rodeo Week

Renegade Round up Highlight's Weeks Activities



A two day holiday was the culmination of an exciting week of Cowboy boots and stetsons as Flowing Wells celebrated the Fiesta de Los Vacqueros. Much Western clothing was seen on campus as the day of the Sophomore sponsored dance drew near and the large platters of tacos were made ready for the hungry dancers.

The officers of the club are: Joe Stanley; President, Terry Van Wie: Vice-President, and Wally Vette: Secretary-Treasurer.

The Lettermen have sold programs at the home football games, programs at the F.W. With the cooperation of both the faculty and the student body, a dress code committee was organized in order to establish a new code of dress in conjunction with the changing mode of dress in society.

Meeting once every week, the members discussed the pros and cons of school dress code.

Football is: trying for state; pride in your team; a sore throat for the next few days; a lot of marching for the Gold Band; spirit, enthusiasm, and excitement; doing your job well; being picked for the all-city team; spectator buses; getting tackled by that big linebacker; gritting your teeth and telling yourself that you're going to get him; the greatest sport; being scared to death that your boyfriend is going to get hurt; cold, windy nights; the thrill of winning; Coach Nymeyer with the microphone in his hand; confetti in your hair; a fast game; something you can't afford; smoke in your face; a box of popcorn.

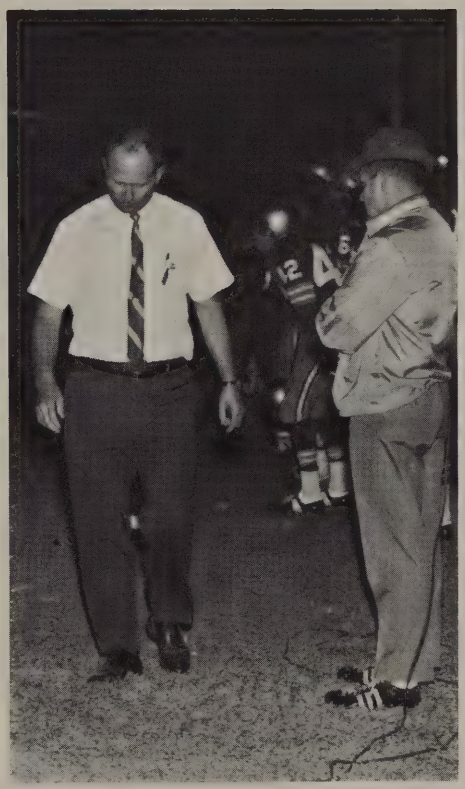
This year's Junior Varsity and Freshman Football teams showed great promise as future Flowing Wells Varsity teams. The JV team was led to a respectable 6 wins to 2 losses season by coaches Lee Dobyns and Robert Hamil. Two of the players responsible for this fine record were Gabino Sandate and Dale Savage. The Frosh Team, directed by new coaches James Kennicutt and Clyde Courtney, finished their season with a 2 wins to 5 losses record. Mark Jacobs and Jeff Stanley proved their value by making game-winning contributions. Both have the qualifications and ability to carry on the winning tradition at FW.

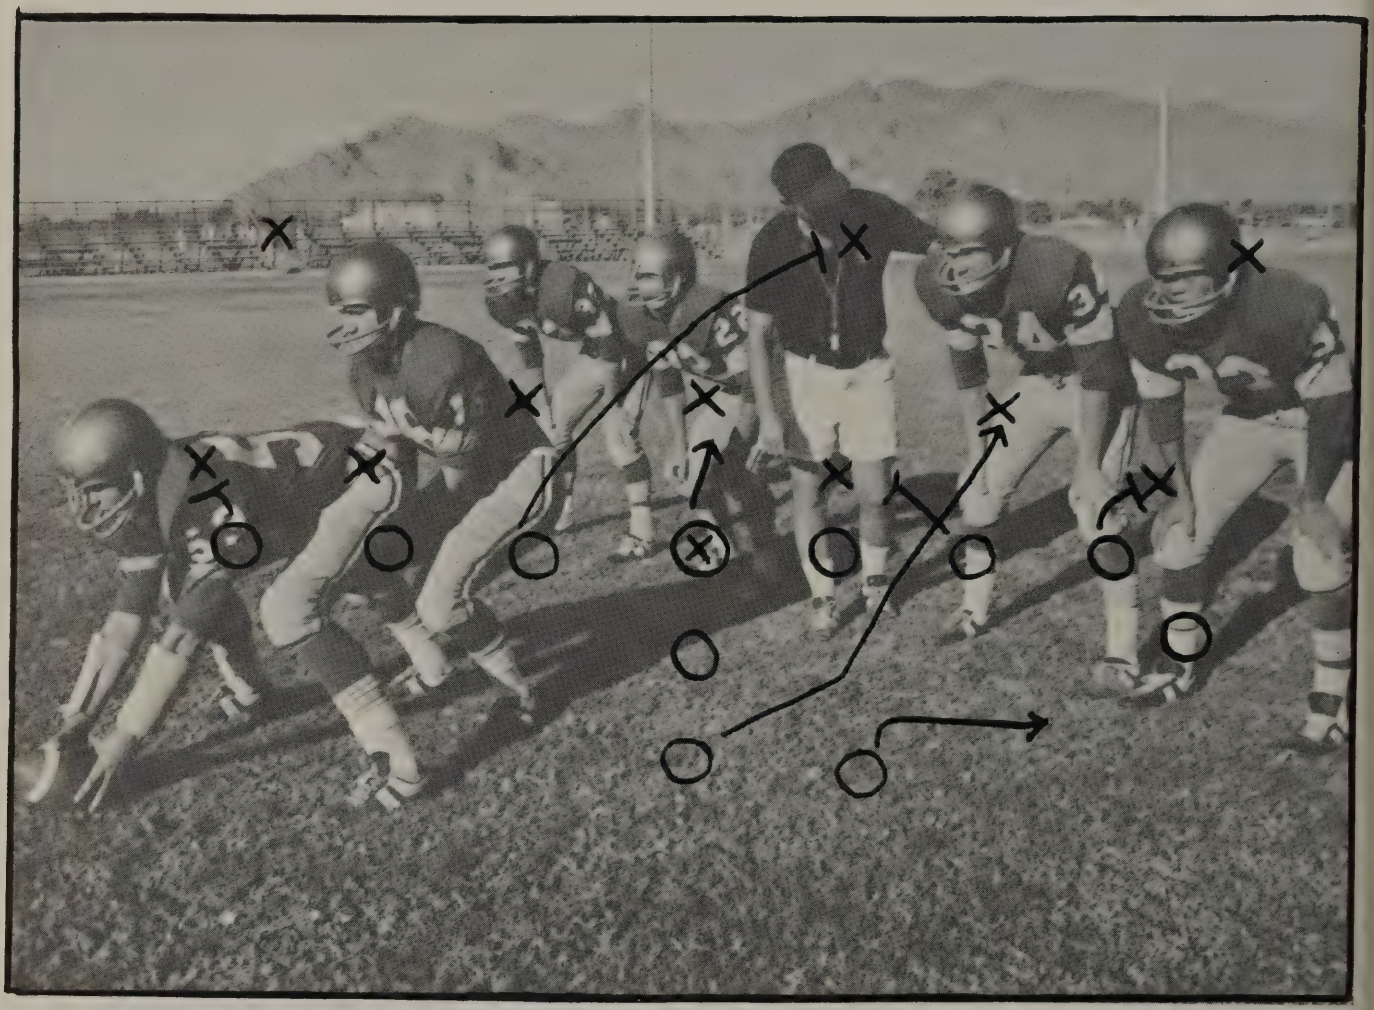
It Was the Best of Times; It Was the Worst of Times

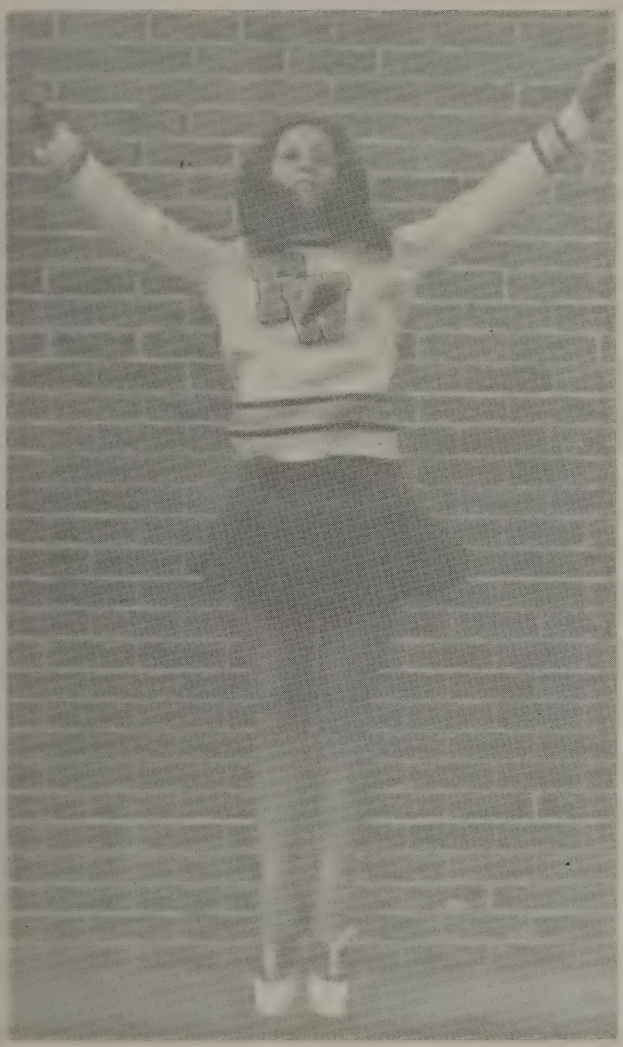
Though the price may be high and the times may be rough, the powerful Caballeros are always ready for their destiny. Whether it be a great pass or a game-saving tackle, the Caballeros take it all in stride. Sometimes the effort may not seem worth the price, but the outcome often sees the Caballeros on top. We see unwary Coach Donaldson reclining on the practice dummies seeming not to let the strain of everyday practice get him down. In contrast, however, we see Coach Hart as he paces the F.W. sidelines nervously.

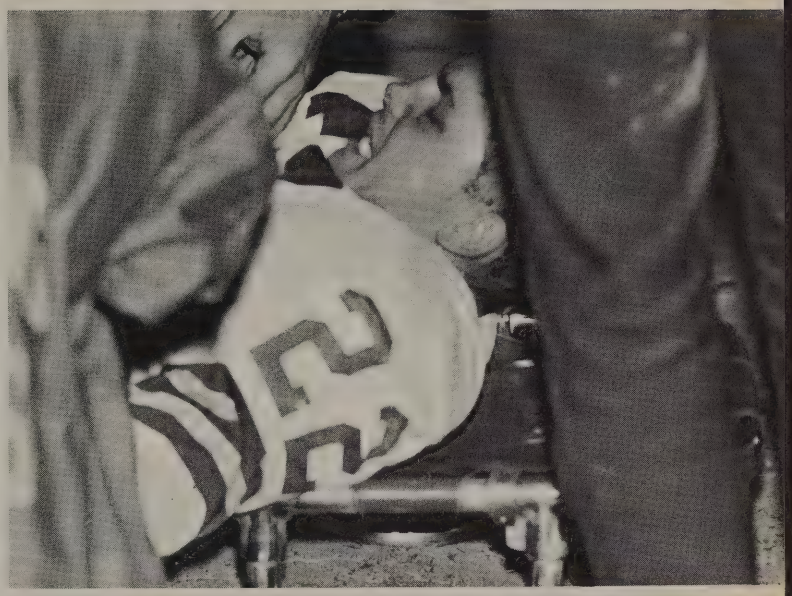
ABOVE: Coach Engelhard reminds P. Schmidt that he has made a costly mistake. RIGHT: G. Anderson, M. McClanahan, and C. Hoffman lead R. Don on a yard gaining end sweep.



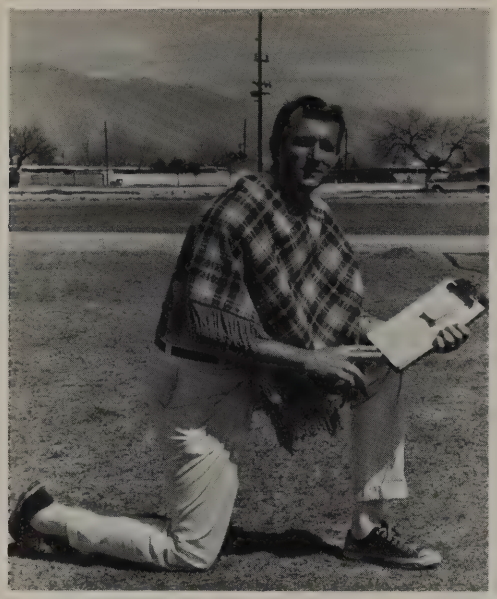
TOP: Coach Donaldson takes time out during one of the Caballero practices. LEFT: Joe Stanley gathers in a Flowing Wells pass and continues into the opposing endzone. ABOVE: Coach Hart is pacing the sideline after a Cab err.







LEFT: With a jump for joy, Marcia Bull leads a spirited cheer for the Cabs. The Homecoming victory against Buena was the climax of an exciting week of car rallies and spirit assemblies. ABOVE: At the end of the third quarter of the Bisbee game, Perry Gates grimaces with pain over his injured knee.



Varsity Team Starts With a Bang

The Varsity starters work well as a team, although only one of the five players was on the first team last year. Even though San Manuel had already played several games, the Cabs bounced to victory in their first game of the year. In the second game, the Cabs held the Santa Rita Eagles to 29 points, an all-time low in scoring against Flowing Wells. Against Buena, last year's State Champions, the Cabs played a good defense and in the last few minutes, the "Bouncing Beauties" stalled to win the game.

Coach Engbretson described this year's Junior Varsity team as "the best comeback team that I have had the opportunity to coach at Flowing Wells" After a slow start and some injuries, they were able to finish strong by winning nine out of their last eleven games. Their record at the season's end was 10 wins, 9 loses. The boys showed great improvement throughout the season by working hard in practice. Coach Engbretson is confident that many of the J.V.'ers will contribute greatly to the Varsity next year. In fact, five J.V.'ers were on the Varsity for the AA Divisionals at Buena.

Prior to the yule season, the Freshman team won one of their three games. Afterwards, with a lot of practice, the team won four close games in a row. The next two were lost making their records 5 and 4 with eight games left. "The team decided to be winners, so they won six of the remaining eight," said Coach Donaldson.

Starting out with only two experienced players was a challenge, but with the response of the other players, more than five men were used each game.

The boys who practiced regularly, but didn't play much, deserve a tribute for helping the regulars grow into a fine team.

The Freshman Basketball Team: 1st Row L-R: Don Catt, Fred Bull, Tom Cochran, Craig Shumway, Mark Jacobs, Kerry Johnstone. 2nd Row: Walter Becker, George Arino, Jeff Stanley, Jeff Jefferies, Tim McMahon, Bert Zaumseil. 3rd Row: Timmy Edwards, Earl Trapp, Mike Hays, Emery Silvester, George Zellar. 4th Row: Coach Jim Donaldson, Alan Goodyke, Steve Madendorp, Mike Sautter. Upon returning from the State Tournament, Gene Renner brought home the honors of 1st in State.

1969 Homecoming Royalty Sparks Excitement in F.W.H.S. Students

Flowing Wells' Homecoming game was played on Oct. 17, 1969, against Buena. Final score was 24-12 in Flowing Wells' favor. The biggest event of the evening came at half time when the new 1969-1970 Homecoming King and Queen were chosen. The results were: Marcia Bull as Homecoming Queen with Pat Shannon, Jennifer Koeppen, Marilyn Mott, and Linda Midkiff as her attendants. Perry Gates reigned as King over Glen Anderson, Lonnie Catt, Phil Shumway and Chris Stoltz, who were his attendants. Marcia, who is a cheerleader, and Perry, who is on the varsity football team, have worked hard to earn their titles as Homecoming King and Queen.

Faculty Praises' 70 Officer Quintet

When the final diplomas are presented to the Graduating class an indescribable pride arises in the hearts of Flowing Wells associates, as they realize that this is more of study. Rather it is the beginning of a new era. This new era will only exist to be the stepping stone for new generations of senior graduates.

The senior class officers for the 1969-70 school year are: L-R, Steve Walker, Co-President, Sharon Trifaro, Treasurer, Reni Rose, Secretary, Joe Stanley, Vice-President, Tricia Black, Co-President.

My eyes will never be the same!
It's a good thing we met, Summer
won't be near as bad now. I know
I've used up more than my share of
space, I'll be really nice and leave
some room for the rest of your
girlfriends.

Love Susie

(See, I really don't write quite as sloppy as I started out.)

Kelly,

Since you wrote something nice in my yearbook, I'll have to write something nice in yours.

Red, Violets Are Blue, Sugar is Sweet
And so Are you. You didn't write poetry in my Book so I made up for it and wrote poetry in your yearbook. I'll bet you didn't even know I was a Poet. (Page 130)

(Soppy it's so sloppy, Carole was wiggling the table.)
